

REMARKS

The present application comprises claims 1-59, 87-103 and 145-154. Claims 60-86, and 104-144 have been currently canceled and claims 145-154 have been currently added.

In the Office, Action the Examiner requested restriction of the invention to one of four groups according to 35 U.S.C. §121. Applicants elect group I comprising claims 1-59 and 87-103 without traverse. Applicants reserve the right to file divisional applications with the non elected claims at a later time.

Claims 145-154 have been added to further define the invention. The new claims find support in the application, for example on page 22, lines 10-11 and lines 15-16 respectively.

All the previously presented claims have been allowed in the International Preliminary Examination Report.

A notice of allowance is respectfully requested.

Respectfully submitted,
Alon ATSMON et al.
